

Lekker balls Lekker life

23 October 2026

The 2026 Hollard Daredevil Run takes place on Friday, 23 October. This is a bold, purple-speedo movement that sparks important conversations about prostate and testicular cancers. At Hollard, we're on a mission to open honest conversations about male cancers, helping men understand the warning signs, know their risks and recognise the life-saving importance of early detection.

Join thousands of brave daredevils as they take on a 5km run in nothing but a purple Speedo to support greater awareness, early detection and healthier futures for men. Whether you run alongside fellow participants at Zoo Lake in Johannesburg or at various locations across South Africa with friends, family, colleagues or on your own, every step makes a difference.

One run. One cause. One important conversation about men's health.

Every entry helps fund vital prostate and testicular cancer awareness, education and support initiatives through CANSA and the Prostate Cancer Foundation of South Africa.

Here's how it works:

- Register to take part at Zoo Lake in Johannesburg or join one of the many locations across South Africa. We'll share details of where fellow Daredevils will be gathering on our social media pages soon.
- Ask your friends, family, colleagues and neighbours to sponsor you via our Back-a-Buddy page to help raise even more funds.
- Each participant will receive a Hollard Daredevil registration pack via courier, which includes the iconic purple speedo.
